

LESSON2. MY HOBBY

READING

Word in context

Having a **hobby** is essential for a balanced and joyful life. Personally, my favorite hobby is **reading**. Every evening, I spend time with my favorite books because they help me relax and reduce stress. Some people enjoy **playing musical instruments** like the guitar or piano, while others prefer **gardening** or **drawing** to express their creativity.

Hobbies like **photography**, **traveling**, or even **cooking** not only bring joy but also help develop new skills. For instance, **collecting** stamps can improve attention to detail, and **watching movies** can enhance language learning. Those who engage in **physical activities** such as **jogging** or **playing sports** often feel more energetic and healthy.

In short, no matter what your **hobby** is, it enriches your life and allows you to connect with your inner self. Everyone should have at least one **hobby** to enjoy life to the fullest.
